Public Transport Working Group

Trent Barton have now responded to our meeting request and a meeting has been arranged for the 8th. October. The object is to investigate why the Spira service was withdrawn and what would be required to re-instate it, to discuss the unreliability of the remaining bus service and to investigate the possibility of improving and adding to our bus services by varying existing routes.

A petition is being circulated by a member who uses the 141 service regularly and lives in Brand Court. When there are sufficient signatures it's intended to contact Gloria de Piero and invite her to a meeting at Brand Court to hear residents' concerns so as to increase publicity for our cause.

The possibility of approaching Stagecoach has been discussed with view to inviting them to vary the route of their existing service from Huthwaite to Tibshelf and Chesterfield to turn in Stanton Hill so as to provide a regular service for Teversal.
