

## **TEVERSAL, STANTON HILL AND SKEGBY DRAFT NEIGHBOURHOOD PLAN**

### **STRATEGIC ENVIRONMENTAL ASSESSMENT (SEA) SCREENING DETERMINATION UNDER THE ENVIRONMENTAL ASSESSMENT OF PLANS AND PROGRAMMES REGULATIONS 2004**

The Council has undertaken a screening determination of the Pre-Submission Consultation Neighbourhood Plan for Teversal, Stanton Hill and Skegby.

Following consultation with the relevant statutory agencies (The Environment Agency, Natural England and Historic England) the Council has determined that a strategic environmental assessment of the Neighbourhood Plan is not required as it is not likely to have a significant environmental effect. As such, it is the opinion of Ashfield District Council that the Teversal, Stanton Hill and Skegby Neighbourhood Plan is in accordance with the provisions of European Directive 2001/42/EC as incorporated into United Kingdom law by the Environmental Assessment of Plans and Programmes Regulations 2004.

A copy of the SEA Screen Report which sets out the determination and the statement of reasons is available for inspection:
